LETTER OF REFERENCE

To Whom It May Concern:

I have had the pleasure of working with Shufelberger Construction, Inc. for many years on several successful projects. We have done design/build projects together as a team and each one of those projects has turned out well due to the efficiency and building experience of Shufelberger Construction.

I would like to recommend their services to a wide array of potential clients. I would be happy to discuss the qualifications of Shufelberger Construction, Inc. personally and can be reached at (530) 347-5500.

Sincerely,

Thomas R. Semingson
Architect
